KLAMATH FALLS, FRIDAY EVENING, JUNE 26, 1908

Speculation is already rife on account of the serious illness of James S. Sherman, as to how the vacancy would be filled if the vice-presidential candidate should not recover. So far as is known, no power is vested in the Republican National committee to fill a vacancy on a ticket that might occur between the date of the nominating convention and the election in November. Chairman New of the National committee is of the opinion that the committee could name a successor, but states that if there is sufficient time before election, the committee would re-assemble the convention and have a nominee in the regular way.

The land fraud cases have been a money maker for the United States government according to a statement made by Assistant Attorney-General Pugh in regard to the conviction in the Benson-Hyde case. While the trial of these four men cost the government \$48,360, the beneficial results to the land department in the future administration of public land laws is beyond calculation. The net results, he says, will be the restoration to the government of more than 100,000 acres of public lands valued at \$1,000,000.

On the eve of adjournment, the Philippine Assembly by a vote of 57 to 15 declared independence was the aspiration of the Filipino people and that they were ready for it. Speaker Osmena in addressing the house declared that the people were ready and were capable of receiving it. The progressive party leaders were in opposition to this and said that while they wanted independence some day the time is not yet ripe for it.

A seven year old boy has been shipped through the United States mails from Denver, Colorado, to New York State. He was labeled and addressed to his grandfather, William Suchand, drawer B, Ossining, N. Y. and properly stamped. The boy's name is Charles Reading. When he arrived, delighted with his long trip as United States mail, his grandfather was telephoned for and joyfully received for the package.

Just about now there seems to be a good deal more dry humor in the remarks of the governor of South Carolina to the governor of North Carolina than there use to be.
